This aerial map illustrates land use planning for the Cizur area. A large green region is delineated by a red boundary. Within this green area, there are several smaller, color-coded zones: three purple areas labeled 'RES' (Residential), one yellow area labeled 'IND' (Industrial), and one dark purple area labeled 'TER' (Terrestrial). The map also shows surrounding areas, including 'Olza' to the north, 'Barañáin' to the northeast, and 'Zizur Mayor' to the east. The background is a grayscale aerial photograph showing terrain, roads, and buildings.

This aerial map illustrates land use planning for the Cizur area. A large green region is delineated by a red solid line. Within this green area, there are several colored polygons: three purple polygons labeled 'RES' (Residential), one yellow polygon labeled 'IND' (Industrial), and one dark purple polygon labeled 'TER' (Terrestrial). The map also shows surrounding areas like 'Olza', 'Barañáin', and 'Zizur Mayor' in various shades of green and blue. A blue dashed line represents a boundary, and a red solid line represents another boundary. The label 'Cizur' is placed within the green area, and 'nc' is visible near the bottom center.
